Barium Messenger

VOL. 37 BARIUM SPRINGS, N. C., OCTOBER 1960 No. 10

Former Student Opens New Funeral Chapel

Between 500 and 600 friends throughout this section attended the open house held at the new Johnson Funeral Home on Saturday and Sunday afternoon. The funeral home is located on Florence Street in Maxton.

The former Maxton Funeral Home has been completely renovated, modernized and decorated in soft shades of rose beige, with pale green walls and draperies of rose. It is air-conditioned throughout.

The establishment consists of the foyer, the private office, the chapel, which seats 175, and with sandalwood doors thrown open, enlarges the seating capacity to 350. There is a family room, a small ministers room, two display rooms, a reposing room, cloak closets and utility room. The embalming room is one of the most modern scientifically equipped in the state.

The reception room is furnished in walnut with tiled ivory floors. The focal point in the room is a large mural, "The Tree of Life," by Dutrahah. A large planter of greenery adds beauty to the room.

During the receiving hours the Lowery sterephonic organ was played softly by Mrs. J. P. Stansel. Wall-to-wall carpeting of soft beige are used in the chapel and the chairs are of walnut trimmed with antique ivory. Numerous beautiful arrangements were received from friends and were used throughout the home.

Receiving with Mr. and Mrs. W. A. Johnson were their fosterparents, Mr. and Mrs. Thomas O'Kelley of Charlotte, and Mr. Johnson's assistants, Julius Watkins and Joe Mack Covington, Mrs. Watkins and Mrs. Aubrey Martin. Souvenirs were given to those who called.

Also present for the occasion and assisting in receiving were Mr. Johnson's brothers, Bob Johnson of Laurinburg and Earl Johnson of McCain.

Women Follow The Men

A double treat was the portion of the Home during the month of September. Not only did the Home entertain in a supper meeting and a church program nearly a thousand men; but, also, had the pleasure of having between three and four hundred women on the campus for the Officer's Training School. The meeting in Little Joe's Presbyterian Church was arranged for by the minister and the Women of the Church. The Home provided them with apples from the orchard and conducted tours on the campus for all who would visit the cottages.

Make Plans Early For The Thanksgiving Offering For Barium Springs. Nearly One-half Of The Synod's Askings Is Expected In This Offering.

Child Caring Association Meets

The annual conference of the North Carolina Child Caring Association was held at the Church of God Children's Home in Kannapolis, North Carolina. In the absence of the president, Dr. George Truitt, Mr. M. T. Lambeth, superintendent of the Children's Home and vice-president of the association, presided. Rev. L. O. Henry, superintendent of the host Home, extended greetings and had a brief history of the Home read at the opening session. An inspirational address was delivered by Dr. Olin T. Binkley, dean of the Southeastern Baptist Theological Seminary at Wake Forest.

Group discussions were held by the caseworkers, houseparents, and executives. The theme for the day was *Maintaining Spiritual Values in the Home.* Dr. Allen Keith-Lucas, professor of sociology at the University of North Carolina, was group leader for the houseparents. Mr. Everette Spell, formerly superintendent of Oak Grove Home in Charleston and now serving in Greenville, South Carolina, was the leader for the caseworkers. The executives were led in their discussion by Dr. Binkley.

The staff and children of the Home served a delicious lunch to the hundred and twenty-five people who had assembled for the meeting. Barium Springs had fourteen representatives from its staff in attendance.

The association accepted the invitation of Mills Home for the next annual meeting and elected M. T. Lambeth, president; Ann Bryan, vice-president; and Rebekah Carpenter, secretary-treasurer.

Junior Varsity Program Is Under Way

Troutman High School is a member of the North Piedmont Conference in the Western North Carolina Activities Association. This is a strong AA conference and requires good material and good coaches if a school is to maintain a satisfactory rating. To this end the school has begun a junior varsity program for the purpose of undergirding the varsity teams. Coach Pharr and his helpers have called out the seventh, eighth, and ninth grades to give them instruction in the fundamentals and to give them some experience in actual game participation. This feeder system will, in due time, bring into the high school a group of boys who will be interested in the sports program and will have been trained.

A sound athletic program is essential to group living and the boys and girls of the Home are eager to make their school one of the best in the conference. They participate in all the sports, are taking part in the band and every school organization open to the boys and girls. Such an athletic participation is not new to the Barium children for they have always had the organized teams from the little folks on through the varsity program. It was through this means that the Barium team was able to hold its own against the great odds in its own conference.

Alumni News

Bill Martin and his wife from Winston-Salem visited Barium recently.

Elmaree (Smith) and Hugh McCrimmon stopped by for a short visit. They are living in Winter Haven, Florida. Their daughter, Becky Hines and her little boy were with them. They live in High Point.

David Flowers from Charlotte was a recent visitor on the campus.

Charlie Sears and his family have moved to the Nazareth Home at Rockwell where Charlie is maintenance man and Thelma is a Housemother for the girls.

Born to Nellie Rae (Sellers) and Robert Bell, a son, Robert E., Junior on August 28th.

Tommy Clark, son of Mr. and Mrs. Hal Clark (Nettie Miller) has been elected to one of the highest administrative posts in Kernersville, that of City Clerk.

Margaret (Hopkins) and Anthony Ortale of Derby, Conn. announce the birth of a daughter, Mary Patricia, on August 12th.

Rita and Charles Hall announce the birth of a daughter, Lauren Genene on September 24th. They are living in Athens and have a son, Chuck, Charles will graduate from the University of Georgia in March.

COTTAGE NEWS

HOWARD COTTAGE

This week workers came and are working hard on building our swimming pool. They have dug a few small ditches in which the pipe lines will go to the pool, and have begun to dispose of our old swimming pool. The ones of us who have seen the blue print know that it will be a beautiful thing.

All of us were excited over our first win of the season, but to our regret, we have had defeat on our side for the last three games. Our boys are working real hard, no matter what obstacles were and are in their way, to complete this season with victories.

The band, too, has been busy in getting the uniforms, caps, and shoes ready to march. Last Friday night at the game with North Rowan, the band marched for the first time this season. People say the band did real well but from what we hear from some of the band members, they sure plan to make many improvements. In our cottage we have four people in the senior band, Lois Allen, Mary Tyndall, Sherry Ross, and Eloise Barefoot. This Friday night the band is looking forward to marching and playing at West Rowan. The band has, also, been invited to march in the Charlotte and Statesville Carousels.

(Continued on Page 3)

LIFE IN THE BIG FAMILY

The summer was a busy one! The farm, dairy, orchard and gardens kept a large crew of boys busy. It is a man-size job to harvest the 8000 bushels of grain and 15.000 bales of hay, 400 tons of silage, the corn and vegetables from the gardens, peaches from 600 trees and apples from 800 trees. The campus had to be kept, the painting and repairing had to be done and the boys were busy as bees. The girls, too, had their hands full in operating the laundry, the sewing room, dining room and kitchen, infirmary and work in the cottages. All was not work, for there was a great deal of play. Under the direction of capable leaders, planned recreation was provided for every age all summer long. The work of the church was carried on in full force. A large number of Senior High boys and girls attended the camp along with twenty-four Intermediates who attended their camp. Bible School for two weeks was held in August.

The opening of school brought about another change. The high school had already been transferred to Troutman and grades five through eight joined them in going to the consolidated school. County buses pick up the children, transport them to the school and return them at the close of the day. This leaves only the primary school on the campus. Grades one through four are taught in combination grades by Miss Mary Faye Stevenson and Mrs. A. M. Calhoun. This continues the pattern recently established of bringing the life of the Home into the Community and the Community into the life of the Home, thus making for a more normal growth in the life of boys and girls at Barium Springs.

Three wonderful things were scheduled for the campus for the summer of 1960, two have become a reality and one is scheduled to be ready for spring 1961. Housing was needed for the staff members who were not a part of the cottage life. Men and women who have served the Home long years had done so in small and cramped quarters with no privacy and no adequate bathroom facilities. Apartment units have been erected and these folks can now have a very fine apartment in which to live and to serve the boys and girls of the Home. The second item was the coming of city water to the buildings. For years Barium has been tormented with water from red wells that has ruined all fixtures in every building. Pipe lines have been clogged up and water has been rusty red. The city of Statesville agreed to lay a line to the Home and Barium Springs was to lay the line on the campus. So, through the special receipts from a legacy the dream of many years was realized in bringing a clear, good tasting city water to every cottage. The third item, and a very exciting one for the boys and girls is a new

(Continued on Page 2)

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Visitors to Little Joe's Church during the past month came from Hyattsville, Maryland, Naples, Florida, and from various places across the Old North State. Groups from Plaza Presbyterian Church in Charlotte and Davidson College were present, along with individual families from Caldwell Memorial in Charlotte, Northside of Burlington and Newton-Conover. We are always glad to welcome visitors at our worship services.

The big event under the steeple this Fall is the week of spiritual enrichment led by Doctor W. T. "Tolly" Thompson, of Richmond. Dr. Tolly was the speaker here when Little Joe's Church was dedicated, so he is no stranger to this campus. His Sunday subjects are "By What Are You Controlled?" and "Temptation, and How To Meet It." On Monday, "Only You Can Hurt Yourself" and on Tuesday, "Freedom, True and False." His closing subject, Wednesday evening is "Can Christ Become Real To Me?"—How?" On weekday mornings, Mr. Thompson had special sessions for Houseparents.

The Officer's Training School, meeting for its eighth annual session, came to our Church on the last Wednesday in September, Mrs. W. E. Dole, presiding. Mrs. A. B. McClure, and Miss Rebekah Carpenter welcomed visitors, Miss Lois Jackson was in charge of the kitchen arrangements and the group had a luncheon together to close the meeting.

Pioneers have undertaken the repair of hymnals used in the Sunday School as a worthy project for Saturday afternoons. The four group leaders and their assistants, elected by the Council are Billy Price and Mae Jolly; Peggy Jo Utsman and Jerry Drum; Forest Spencer and Naoka Spencer; Lou Anna Bridgers and Larry Edwards.

Braxton Bridgers and Mike Morgan have been added to the Usher's Guild upon their election by the Session and Diaconate, their names having been recommended by the Guild.

The Senior High Fellowship is planning a Football Hop for Friday evening, October 7 in the auditorium of the McNair building, with music furnished by the "Impala Jets" of Central School. The Council recently experienced a retreat at Camp Grier for the purpose of gaining insight into their own relationship to Christ and how that relation might have meaning for community living. The Council also attended the supper meeting for youth in connection with the "Mission To The Nation" Cavalcade.

What tangible evidence do we have to assure us that Christ really lives today? Thomas was shown nail pierced hands and a scarred body.

I cannot see the nail prints in His hands.
I cannot touch the spear wound in His side;
But I see His cross in every land,
And in His secret presence I confide.

I cannot see the nail prints in His hand.
I cannot touch the spear wound in His side;
But I can hear the voice of His command
To love my fellow men for whom He died.

I cannot see the nail print in His hand.
I cannot touch the spear wound in His side;
But I can become a member of His band,
And in His Church Triumphant, I abide.

Life In The Big Family

(Continued from Page 1)

swimming pool. The contract has been let and this will be completed for swimming in the spring of next year. The old pool, under the condemnation of the Health Department, was discontinued entirely and swimming had to be done in Statesville during the summer. Next year we can return to our own pool and have swimming everyday in clean, clear, healthy water.

There are more children being cared for today through child caring agencies than ever in the history of the world; however, church institutions are not having to do it all. State and Federal Governments are providing for child care in various ways; Foster Home Programs, and Adoption Programs have served to lighten the load in Institutional care; Social Security income has enabled many parents to keep their children at home who would have otherwise had to be ministered to in some form of care away from home. Thus, Institutional enrollment in the last ten years has been reduced. The outlook for 1960-61 at Barium is about two hundred children.

The primary source of income for the Home is the Thanksgiving Offering and the regular benevolence percentage that comes through the church. Each year a budget is carefully worked out by the Administration and presented to the Board of Regents for its consideration and approval. No expenditure can be made without the authorization of the Board. This budget then with the Home's request from the Synod is presented to the Council of the Synod of North Carolina and, subsequently, to the Synod. Each year a professional firm audits the accounts of the Home and makes its report to the Board of Regents. Thus, it is the belief of the Administration that the business operation of the Home is done in good and proper order.

All new buildings have been built in one story fireproof style, providing rooms for children to live in and, also living rooms and dining rooms and kitchens for the use of the cottage. While the central dining room still prevails, Saturday night and Sunday night suppers are always eaten in the cottages as well as other special snacks on occasions. The cottages are built so that they could be self contained if the central dining room is ever discontinued.

Not more than sixteen children are housed in a cottage, and these children range in age from the first grade to the senior year in high school. This new plan on the campus at Barium is proving to be very helpful and satisfactory. The boys have been assigned to cottages near the girls cottages, so that they can play together on the campus and move to and fro in normal mixed relationships, thus, reducing many of the hazards that come from unnatural separation. These two procedures have helped to lesson the tensions that existed and have brought about a more wholesome life.

The health of the campus has been good through the year, though there will be more children's diseases as the boys and girls attend public schools and bring back to the campus the things that are picked up. An excellent dental program prevails on the campus. An expertly trained dentist and orthodontist operates on the campus and the teeth of the children of this Home are better cared for than the average teeth of any children in any community in the State of North Carolina. The Infirmary meets the campus needs; Davis Hospital provides hospitalization and Doctors Griffin and McLain in Troutman are on call for the children. Regular meals, regular sleep, work, play and worship help to make for a healthy campus.

The Presbyterians are in business for the church at Barium Springs, investing in the lives of boys and girls in order that they might become good citizens of the State and of the Kingdom. The Home has many needs - additional equipment, buildings to be replaced, paving on the campus, restoration of fences, for additional personnel, and for funds to adequately pay properly trained people to serve the Home. Barium Springs needs the prayers of all the Presbyterians and many who will remember the place. Let no one be deceived by any false rumors or reports about Barium Springs having plenty and that whatever is needed someone else will provide. The work of this place will not go on unless all the members of all the churches continue to remember the Home and to make contributions for its work.

Unique Poem on Lord's Prayer Found On A Battlefield

A composition, into which the unknown author uniquely fitted the Lord's Prayer, was found on a battlefield in South Carolina during the Civil War by a brother of Mrs. S. B. Helmer, of Kendallville, Indiana. Through an old comrade and very dear friend, a copy of the prized poem came into the hands of Major John W. Russell, of Denver, who loaned it to the Post.

Major Russell values this composition very highly, not only because of its historic features, but also on account of its worthy and beautiful sentiment.

The original of this poem is printed on heavy satin, and is regarded as a literary curiosity. It bears the interesting date of July 4, 1823.

"Thou, to the mercy-seat our souls doth gather,
To do our duty unto thee .....
our Father,
To whom all praise, all honor, should be given,
for thou art the great God .....
who art in heaven.
Thou, by thy wisdom, rul'st the world's whole frame,
forever, therefore .....
Hallowed be thy name;
Let never more delays divide us from
Thy glorious grace, but let .....
Thy kingdom come;
Let thy command opposed be by none,
But thy good pleasure and .....
Thy will be done.
And let our promptness to obey be even
The very same .....
On earth as 'tis in heaven;
Then for our souls, O Lord, we also pray
Thou would'st be pleased to .....
Give us this day
The food of life, wherewith our souls are fed,
Sufficient raiment, and .....
Our daily bread;
With every needful thing, do thou relieve us,
And to thy mercy, pity .....
And forgive us
All our misdeeds, for him, whom thou did'st please
To make an offering for .....
Our trespasses
And, forasmuch, O Lord, as we believe
That thou wilt pardon us .....
As we forgive,
Let that love teach, wherewith thou dost acquaint us,
To pardon all .....
Those who trespass against us,
And though, sometimes, thou find'st we have forgot
This love to thee, yet help .....
And lead us not
Through soul or body's want to desperation,
Nor let earth's gain drive us .....
Into temptation,
Let not the soul of any true believer,
Fall in the time of trial .....
But deliver,
Yea, save them from the malice of the devil,
And both in life and death, keep .....
Us from evil;
Thus pray we, Lord, for that of thee, from whom
This may be had .....
For thine is the kingdom,
This world is of thy work, its wondrous story
to thee belongs .....
The power and the glory
And all thy wondrous works have ended never,
But will remain forever and .....
Forever
Thus, we poor creatures would confess again,
And thus would say eternally .....
Amen."

Sent in to Messenger by Miss Eugenia Dickson, Rosehill, N. C.

The Smiths Join The Barium Staff

Mr. and Mrs. George Smith are newcomers to the campus and a cordial welcome is extended to them as members of the Barium family. Having been reared near Barium Springs in Iredell County, Mr. Smith has known of the Home all his life. He is a graduate of Troutman High School, a member of the New Perth Associate Reform Presbyterian Church of Troutman where he is, also, serving as a deacon. Mrs. Smith was formerly from Charlotte and there a member of the Presbyterian Church.

Mr. Smith will be in charge of the dairy. He and the farm manager plan an intensive program in the production of milk. It is hoped that the fifty Holstein cows can be brought to the peak of production during the base-building period so that a greater profit can be realized from the dairy.

COTTAGE NEWS

(Continued from Page 1)

Winter is coming around the corner and is coming at a high speed, too. Everyone is getting out their winter clothes and putting quilts on the bed. Even the squirrels are carrying acorns to their home in the trees.

You'll hear from us next month.

Howard Cottage Girls

RUMPLE HALL

Hi there!

We've all been busy studying hard trying to make all A's. Besides that, there have been many more activities. Football hasn't been going too well for our teams, but we hope that we will soon win some games. We have four girls in the band and, boy, have they been practicing! They marched for the first time September 23. They are looking forward to more football games and parades.

We have had two new girls to join us in the last month. They are Janice Wright and Donna Richardson. Janice is seven years old and in the second grade. Donna is six years old and in the first grade. We are very happy to have these two fine girls with us.

Well, back to the books!!! See you next month.

The Rumple Hall Girls

LOTTIE WALKER II

We have two new boys in our cottage, George and Charles Harris, from Kinston, North Carolina. George is in the second grade and Charles is in the third grade.

We have been very busy going to school, ball games, and the gym.

Miss Reynolds made Leonard a birthday cake and gave him a birthday supper, which was very good.

Charles McBennett became a Star Scout Thursday night, September 29, at the Court of Honor.

Lottie Walker Boys

JENNIE GILMER

We've had some changes at Jennie Gilmer since the last Messenger. Mr. and Mrs. Gibson and Mike have moved and Miss Page is our new housemother. Also, Royce Harris has come to live with us. He's in the sixth grade at Troutman School. We're glad to have him here. His two brothers are at Miss Reynold's cottage.

Football season has begun and we're really well-represented on the teams. Braxton Bridgers, Richard Ward, Ed Barefoot, Lacy Lentz, and Bobby Ramsey are on the varsity team. Richard and Braxton have scored touchdowns already. Terry Roderick and Larry Wilkins are on the junior varsity team.

Douglas Byrd, who graduated from high school this year and is now in the service, spent a few days with us recently. He was being transferred from Fort Jackson to Camp Gordon, Georgia. We hope he'll keep coming to visit us whenever he can get leave.

We enjoyed having a group of Senior Highs from Plaza Presbyterian Church in Charlotte join us for Sunday School, church, dinner and afternoon visiting on September 25.
